What's New at CVG

Just Opened: The Pub in Concourse C

This month, the SkyShops at CVG opened The Pub in Concourse C. Located near Gate C-1, the new restaurant offers traditional pub-style dining, a selection of beer from the UK, Ireland and Belgium and a wide variety of single malt scotches, wines and bourbons. Menu items include fish and chips and chicken cranberry pecan salad. The Pub's breakfast menu features an English egg-white wrap.

Registered Traveler Program Coming Soon to CVG

In our ongoing effort to offer the best services to our business travelers, the airport plans to launch a registered traveler program this summer. Enrolled travelers will have access to an expedited security lane, which will save time and ease the security process. Passengers will be able to use "Registered Traveler" lanes at participating airports around the country. To date, airports in Los Angeles, Indianapolis, Orlando and San Jose are among the airports signed up for the program.
